This matter was opened to the State Board of Dentistry upon receipt of information from the Enforcement Bureau, Division of Consumer Affairs Professional Boards, that during a period from in or about July 1985 through February 1988, respondent wrote and directed pharmacists to issue prescriptions for Percocet, a Schedule II Controlled Dangerous Substance, for respondent's personal use.

In order to resolve this matter without recourse to formal proceedings and for good cause shown;

IT IS on this 28th day of March, 1988,

HEREBY ORDERED THAT:

1. The State Board of Dentistry accepts the voluntary surrender of respondent Glenn B. Stec's license to practice

dentistry in the State of New Jersey. Respondent shall submit any and all wall certificates including, but not limited to, his dentistry license, D.E.A. registration, and general anesthesia permit to the Board of Dentistry at 1100 Raymond Boulevard, Room 321, Newark, New Jersey 07102. Said voluntary surrender shall have the same force and effect as if his license had been revoked, and respondent shall immediately cease and desist any practice of dentistry.

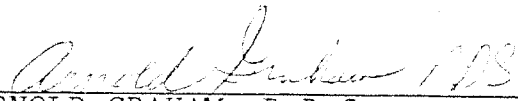

2. In the event respondent wishes to petition the Board for reinstatement of his license to practice dentistry in the State of New Jersey, he shall be made to appear personally before the Board, and he shall have the burden to demonstrate to the satisfaction of the Board that he is capable of discharging the functions of a licensee in a manner consistent with the public's health, safety and welfare.

3. Respondent shall submit to a psychological evaluation by a Board appointed consultant prior to requesting reinstatement of licensure. Respondent shall be responsible for the fee of the consultant for the evaluation and report.

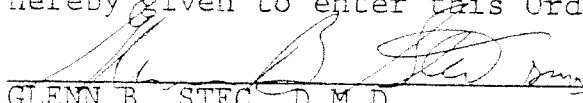

4. Respondent shall cause and permit the staff or other designee of the Impaired Dentists Program to disclose

to the Board any evaluation it has made of the respondent as well as any recommendations and any other pertinent information. This shall include advising the Board of any and all programs in which respondent engages, including urine monitoring, and keeping the Board advised as to respondent's progress and successful completion on an on-going basis.

5. Nothing herein shall prevent the Board from taking formal disciplinary action at any time in the future if it determines in its discretion that it is in the best interest of the public to do so.
